

The page is framed by a decorative border of various stylized plants and flowers. In the top left, there are green, bell-shaped flowers with red interiors. The top right features a large teal flower and a small white flower with a spiral center. The bottom left has a large red flower with a white center and a blue wavy line. The bottom center shows a green plant with red, spiky, spiral-shaped leaves. The bottom right includes a red flower with a white center and a green leaf. The background is a light cream color.
